

Elizabeth Macquarie Iris

The *Elizabeth Macquarie* Iris is being released in 2010 to celebrate the Governor Macquarie Bicentenary. This brand new plicata iris has been bred by Graeme Grosvenor and propagated by NSW Iris Society. It will be launched by Her Excellency Professor Marie Bashir, Governor of New South Wales on 10th October 2010 at Windsor, NSW.

Elizabeth Macquarie iris rhizomes and potted plants will be available from the NSW Iris Society following the launch.

Orders can be made using the form below. Priority will be given to pre-paid orders. You can collect your Elizabeth Macquarie iris at the NSW Iris Society Annual Show, 23rd/24th October 2010 at Blackheath Community Hall, Blackheath. Alternate collection arrangements, following the launch on 10 October, can be made by contacting Bruce Cox 0247842727 or dicoiris@bigpond.com
