

Elizabeth Macquarie Iris

The *Elizabeth Macquarie* Iris was released in 2010 to celebrate the Governor Macquarie Bicentenary. This brand new plicata Tall Bearded Iris was bred by Graeme Grosvenor and propagated by the NSW Iris Society. It was launched at a ceremony beside the statue of Governor Macquarie at McQuade Park, Windsor, on Sunday, 10th October 2010.

Elizabeth Macquarie Iris rhizomes and potted plants are available from the NSW Iris Society. The Wedgewood Iris embossed mugs are also available.

Orders can be made using the form below. Priority will be given to pre-paid orders.

Collection arrangements can be made by contacting Bruce Cox 0247842727 or dicoxiris@bigpond.com
